Wine

We are happy to bring you a dynamic and appealing wine and beverage list.

A lot of research, thought and tasting was involved in compiling a list of some amazing wines. We have given you some of our favourites and encourage you to try some new wines, whether they are Italian, international or local.

This is the reason we offer most by the glass. Please ask for any help or recommendations in choosing a great wine to match your delicious meals.

Why not start with an aperitif, such as our Bellini cocktail, a glass of Veuve Clicquot Champagne or a Aperol Spritz (An Italian classic aperitif, aperol and prosecco topped with a touch of soda water).

Salute!
